## LETTER (AUGUST 2019)

“Education is not the learning of facts but the training of the mind to think” – Albert Einstein

### Dear Parents,

How time flies. We can still visualize the first day of this academic session when our children entered the new classroom with a lot of apprehension and hesitation towards the new teacher and the class. But after all these months our young ones have turned to be quite confident and independent. They have become well aware of their new arena of activities and are doing remarkably well. We feel thrilled to see them achieve new horizons every day.

### Events:

#### White Colour Day

White is an inherently positive colour and is associated with innocence, light, cleanliness, softness and perfection. To infuse the concept of white colour to the tiny toddlers we celebrated White day on 9<sup>th</sup> August, 2019. All the Teachers and Children were dressed in white costumes. Little champs in white dresses were made to recognize white colour through white objects. The students were shown different things of white colour. The atmosphere was also made according to the concept of the day.

#### Independence Day Celebration

As it was holiday for our tiny tots on 15th August. Independence day was celebrated on 14th August 2019 with a patriotic fervor. Nursery parents shared stage with their kids and walked the ramp dressed as per different states. LKG kids danced to the tunes of patriotic songs, performed drill and even came dressed as our national leaders and introduced themselves. UKG kids were dressed as leaders who fought for our country's Independence and introduced themselves, performed drill, performed a miming act on the snapshots from India's struggle for freedom and also paid tribute to our army, navy and air force through their dance.

#### Janmashtami Celebration

In order to celebrate the birthday of Lord Krishna, a celebration was organized where all the children came dressed as little Radhas and Krishnas. Beautiful decorations were put up to make this event more cheerful and colourful. Children danced on the tunes of music and also participated in the “Breaking the Handi” event where children broke ‘handi’ which had chocolates inside, to mark the mischievous nature of ‘BalGopal’.

#### Ganesh Chaturthi Celebration

Ganesh Chaturthi was celebrated with grandeur and gaiety on 30th August 2019. To mark the beginning of this festive mood, our little artists made Lord Ganesha Statue using clay and Nursery kid made pretty Ganesha takeaway using balloons.
