Independence day

Pinning flags to uniforms, watching the national flag hoisting and singing the national anthem- Independence day celebration in school is a treasured memory for many. But at a time where such celebrations cannot occur due to safety reasons, our school took innovative ways to honour the day. The online space was the only medium left to celebrate the event. To ensure that the students witness a flag hoisting, our school hosted a taped recording for the students, wherein the school trustee along with the school management hoisted the national flag , few students sent their recorded video saying 'Happy independence day" in their unique ways . On 14th August, few activities were held for the pre-primary students. The Nursery students drew the tricolor flag. LKG students made a national flower lotus and coloured it. The students of UKG made the national bird peacock using origami paper. So inspite the pandemic-included lockdown Independence day was celebrated in the "new normal" way.

Raksha Bandhan

Raksha Bandha is a celebration of the pure bond that exists between siblings. The promise to always be there, to protect, no matter what the circumstances. The tiny dots of Nursery made beautiful rakhi with their tiny hands.

Ganesh Chaturthi

People believe that lord Ganesha, the symbol of wisdom bestows his presence on earth during this festival and removes all obstacles. With such belief, our school organized various activities on the auspicious festival of Ganesh chaturthi through virtual mode. The sole purpose of the celebration was to let the students stay rooted with Indian culture and to enable them to understand the significance of this festival. The celebration began with a video of the story on the birth of Lord Ganesha. Our small blooming buds of Nursery and LKG prepared laddoos to offer to Lord Ganesha. Our UKG students used their little hands to mould into beautiful Ganesh idols out of clay…The day ended with lots of learning and fun.

Janmashtami Celebration

On 11th July 2020, our school celebrated Janamashtami. Janmashtami is celebrated as a symbol of the end of darkness and rooting out of the evil forces. Children were dressed in ethnic wear as Radha Krishna . Teachers explained the students the importance of the festival showing them a video on the birth of Lord Krishna. Teachers organized different activities for their students. The students of Nursery and UKG prepared colourful flute and decorated it with their tiny hands. LKG students drew a pot and decorated it symbolizing Lord Krishna faourite food Makkhan (butter). Students truly communicated the message that “Every moment of life is worth a celebration. The more you praise and celebrate life the more there is in life to celebrate.”
