### NOVEMBER 2022

## BIRTH ANNIVERSARY OF DR. HOMI BHABHA

**Homi Jehangir Bhabha**, FRS (30 October 1909 – 24 January 1966) was an Indian nuclear physicist, founding director, and professor of physics at the Tata Institute of Fundamental Research (TIFR). Colloquially known as "Father of the Indian nuclear programme" Bhabha was also the founding director of the Atomic Energy Establishment, Trombay (AEET) which is now named the Bhabha Atomic Research Centre in his honour.

The school celebrated the birth anniversary on Wednesday, 19th October 2022. Students were shown documentaries about his life and achievements.

# GURUNANAK JAYANTI CELEBRATION

Keeping in view the secular ethos of the school we celebrated and rejoiced in the spirit of the festival Guru Nanak Jayanti on 7<sup>th</sup> November 2022 to mark the occasion and bring home the relevance of the festival to our young generation.

The students were shown videos on the sacred life lived by Guru Nanak Devji which certainly enlightened the students about the solemnity of the festival.

## ANNUAL HEALTH CHECK UP PROGRAM

**‘Annual Health Check-up program for Students’** was organised on Wednesday, 9<sup>th</sup> November and Thursday 10<sup>th</sup> November 2022. It is a program that contributes to the maintenance and improvement of the physical health of students.

**The Annual Health Check-up program for Students was conducted by eminent doctors in the school premises during school hours.**

**The Health check-up comprised of**

1. General body examination
2. Body composition analysis (screening and clinical examination)

WHO promotes school health programmes as a strategic means to prevent important health risks among children and adolescents to engage the education sector in efforts to change the behaviours that impact health.

## INTERHOUSE ANTAKSHARI COMPETITION

Interhouse Antakshari Competition was conducted 14<sup>th</sup> November 2022 with great fun and joy. Students from different houses participated with great enthusiasm. Everyone enjoyed the mellifluous songs sung by the participants.

Poetry Recitation competition was organized for Grades I and II. Recitation activities help students to build confidence as they learn to speak more accurately and persuasively about any piece of writing. The students recited poems on the theme – animals. Children astonished everyone with their voice modulation and amazing memorizing skills.

## PICNIC - III AND IV

School life is a happy life not because we don't have any career pressure but because we have lots of happy memories. Various events, programs, activities, etc makes schooling more interesting and engaging.

School had organized a One Day fun filled Picnic for the students of Grades III and IV to **SMAAASH AMUSEMENT PARK, LOWER PAREL** on Tuesday, 22<sup>nd</sup> November, 2022.

### **Students enjoyed**

- Net Cricket
- Bowling alley
- Top Gun
- Speed Light
- Transformer
- Dashing Car
- Skee Ball Win
- Twilight Bowling

It was a great day for all the students and teachers, as it strengthened the bond between the students and their teachers. Students returned with happy memories.

## MISSION TO MOON

School had arranged for **'Mission to Moon'** for students of Grades VII, VIII and IX. The programme was **conducted in the evening**. It was an evening activity as the students had to explore the sky using Telescopes.

The programme started at 5:00 pm with introduction to basics of Astronomy. It was followed by Aero modelling, Rocket making and Launching activity. Then the inquisitive eyes of students moved to the Terrace of the school for the Sky Exploration activity through different types of Telescopes. Students watched the Moon, Mars, Jupiter and Saturn through the telescope. Students were mesmerized by the beauty of the heavenly bodies.

The students went home excited after exploring the secrets of Moon and the planets.
