ENVIRONMENT DAY

World Environment Day is celebrated on June 5, annually to encourage awareness and environmental protection. According to the United Nations, "the celebration of this day provides us with an opportunity to broaden the basis for an enlightened opinion and responsible conduct by individuals, enterprises, and communities in preserving and enhancing the environment."

The day was celebrated with lots of enthusiasm in our school on 17th and 18th June after the school reopened. Several best out of waste activities like pencil holder, piggy bank, photo frame, bird feeder, wall hanging and posters were planned for Primary and Secondary section. Each student were asked to plant a sapling and take a picture with it. The engaging activities did encourage the students to reuse and recycle the waste.

YOGA DAY

The **International Day of Yoga** has been celebrated annually on 21 June since 2015, following its inception in the United Nations General Assembly in 2014. Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness.

Today it is practiced in various forms around the world and continues to grow in popularity.

International Yoga day was observed online in school with much fervour and enthusiasm on 21st and 22nd June for Grade I – X students. All the students participated the session with same excitement and joy. The boundless peace was amply visible right from the faces of the students.
