INDEPENDENCE DAY

The **Independence Day of India**, which is celebrated throughout the Country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. India's gaining of independence was a tryst with destiny, as the struggle for freedom was a long and tiresome one, witnessing

the sacrifices of many freedom fighters, who laid down their lives on the line. This year our school celebrated the 75th year of Independence Day in the school. Due to the Covid protocol students celebrated it on a virtual platform with lots of enthusiasm.

The celebrations started with flag hoisting followed by National anthem and Dhvaj geet. Videos of students performances which were pre-recorded, were released after the flag hoisting ceremony.

PARENT ORIENTATION ON **"Being a Smart Parent- A holistic approach"**

School had arranged for a Parent Orientation Programme on "Being a Smart Parent- A holistic approach" for the parents of Grades IV and V

The orientation was conducted by Dr. Smita Desai. She has contributed in the areas of Psychology, and Special Education Needs since 1986. She is the Founder-Director of Drishti, an organization in Mumbai since 1994 and Bangalore since 2014.

Dr. Desai spoke to the parents on Understanding, identifying and seeking right kind of help for social-emotional challenges faced by children.

Parents also shared their concerns which were addressed by the speaker.

LIFE SKILL SESSION

Life skill Session on the topic "Virtual Etiquettes and Digital Citizenship" was conducted for the students of Grades VI to X by the School Counsellor in the month of August 2021.

During the Session the counsellor spoke to the students about being responsible when they are handling Digital Platform and the also about how to conduct themselves during online lectures.

JANMASHTAMI

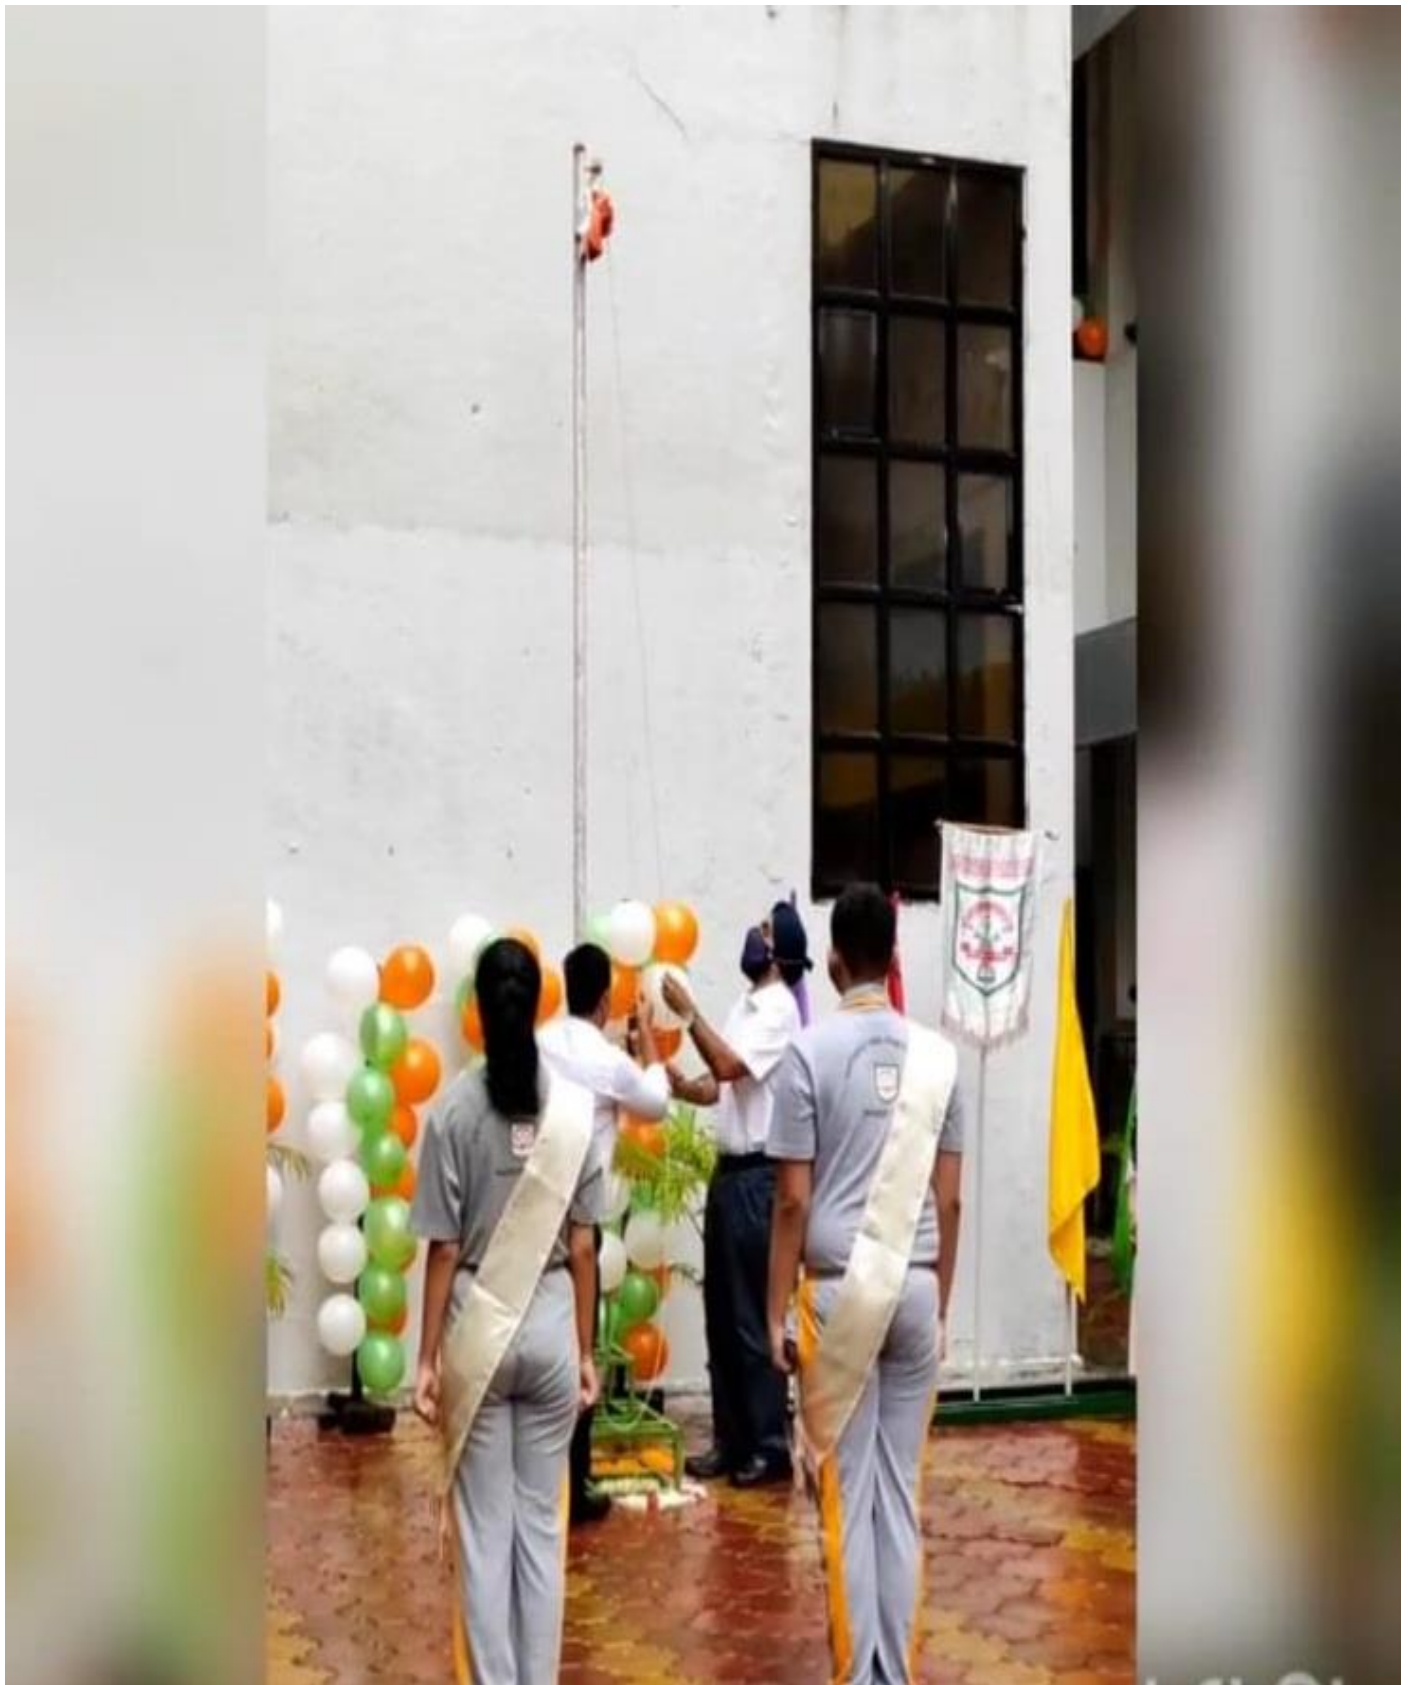

Janmashtami (popularly known as "Gokulashtami" as in Maharashtra) is celebrated in cities such as Mumbai, Latur, Nagpur and Pune. Dahi Handi is celebrated every August/September, the day after Krishna Janmashtami. **Krishna Janmashtami**, is an annual Hindu festival that celebrates the birth of Krishna, the eighth avatar of Vishnu. Our school organised a virtual celebration of Janmashtami, which flowered into a grand success, owing to the absolutely zealous participation of its students. The virtual programme commenced with an enthralling video presentation on Janmashtami stressing on the relevance of Lord Krishna's birth and teachings for Grades I - X. The virtual celebration was indeed truly informative, enlightening and entertaining, all the same.

WHAT IS DIGITAL ADDICTION?

Digital addict is used to refer to a person who compulsively uses digital technology, which would manifest as another form of addiction if that technology was not as easily accessible to them. Colloquially, it can be used to describe a person whose interaction with technology is verging on excessive, threatening to absorb their attention above all else and consequently having a negative impact on the well-being of the user.
