NAVRATRI CELEBRATION

We celebrated Navratri virtually with great enthusiasm and fun on 14th October 2021. A video was shown about the importance of Navratri and how it symbolizes victory of good over evil. Students were also told about the 'nine forms' of Goddess Durga and how the festival of Navratri is celebrated in many different ways in India. For many people it is a time of religious reflection wherein people are seen fasting, whereas for others it is a time for dancing and feasting.

For the celebration girls were dressed in the colourful 'Ghagra Cholis' and boys were dressed in the beautiful 'Kurta Pyjamas', and they danced to the tunes of Garba. The essence of the festivity was truly felt and celebrated by all in the true spirit of oneness.

STUDENTS' DAY CELEBRATION AND DIWALI PARTY

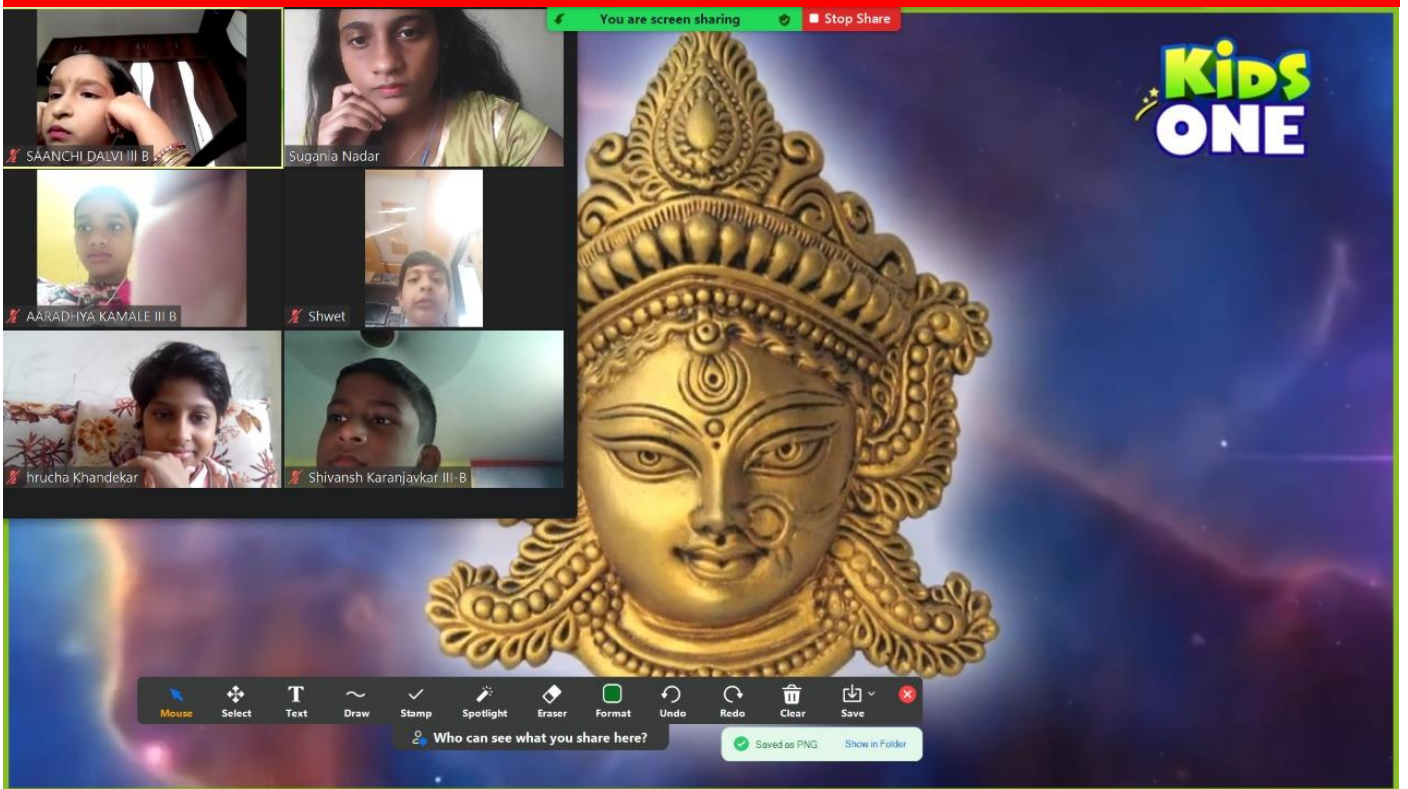

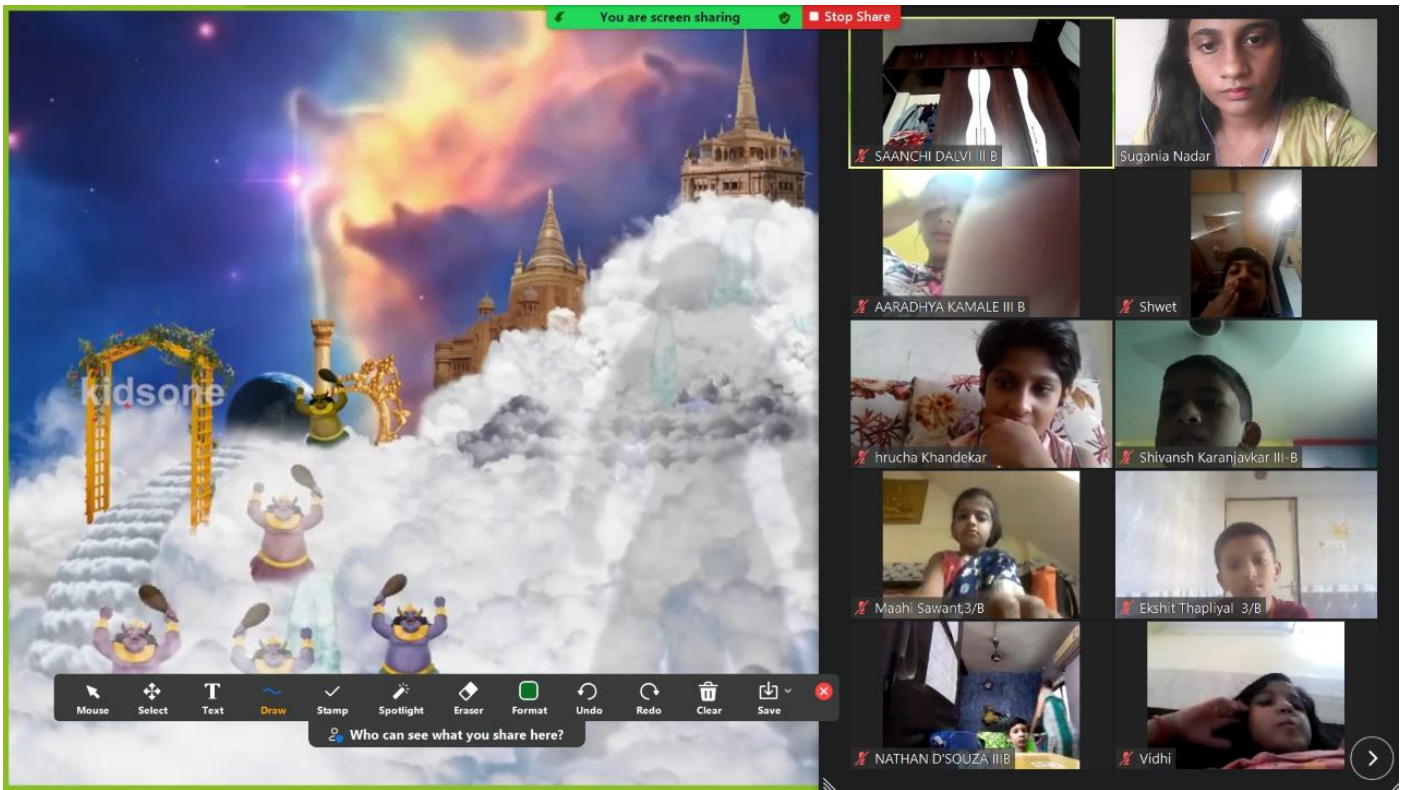

We observe the birth anniversaries of great personalities and their contributions. One such event is the World Student's Day.

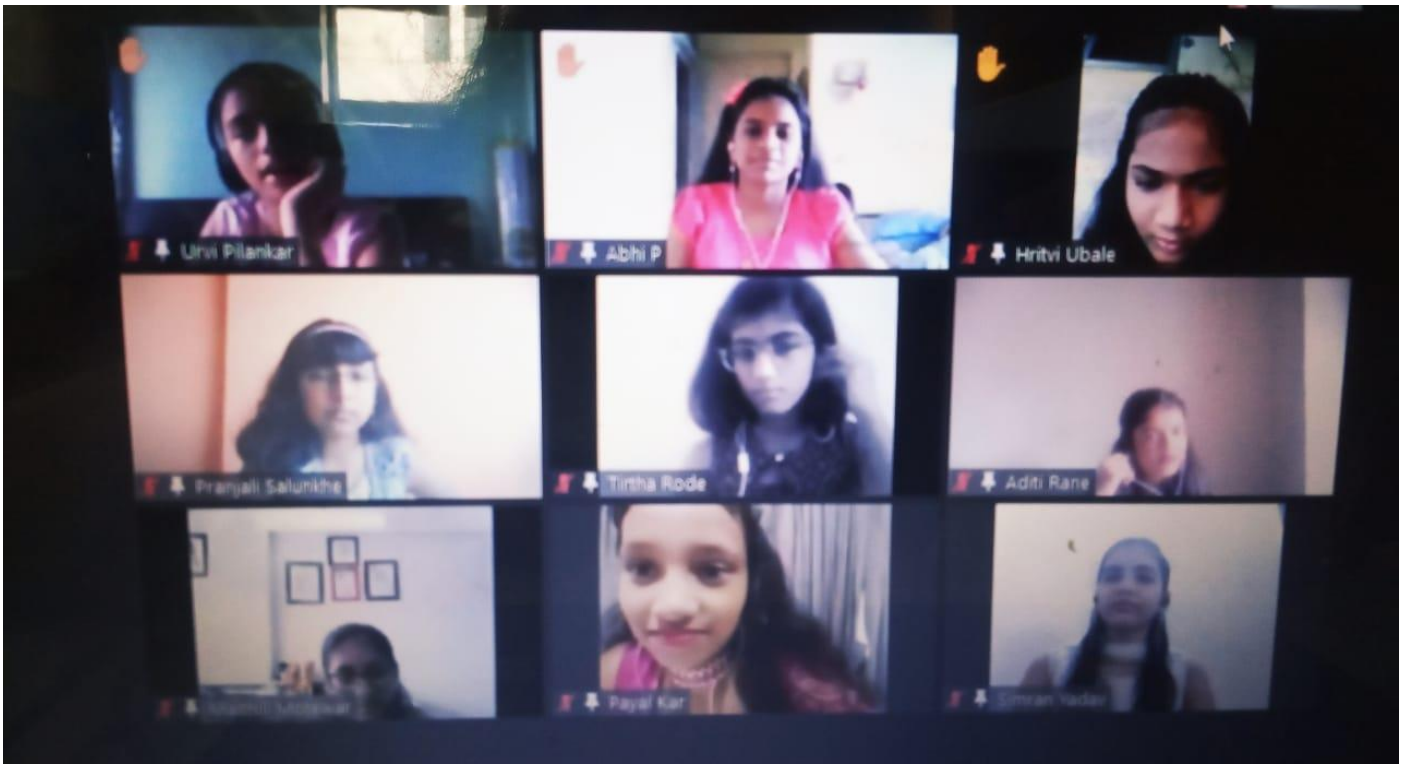

World Student's Day is celebrated to mark the birth anniversary of Dr. A.P.J Abdul Kalam on October 15, annually. UNO announced this occasion to felicitate the contributions and works of Dr. Kalam in Space Research. To make the students understand the importance of Students' Day and Diwali, we had organised a celebration on virtual platform on 29th October 2021. Students were dressed in party wear for the celebration.

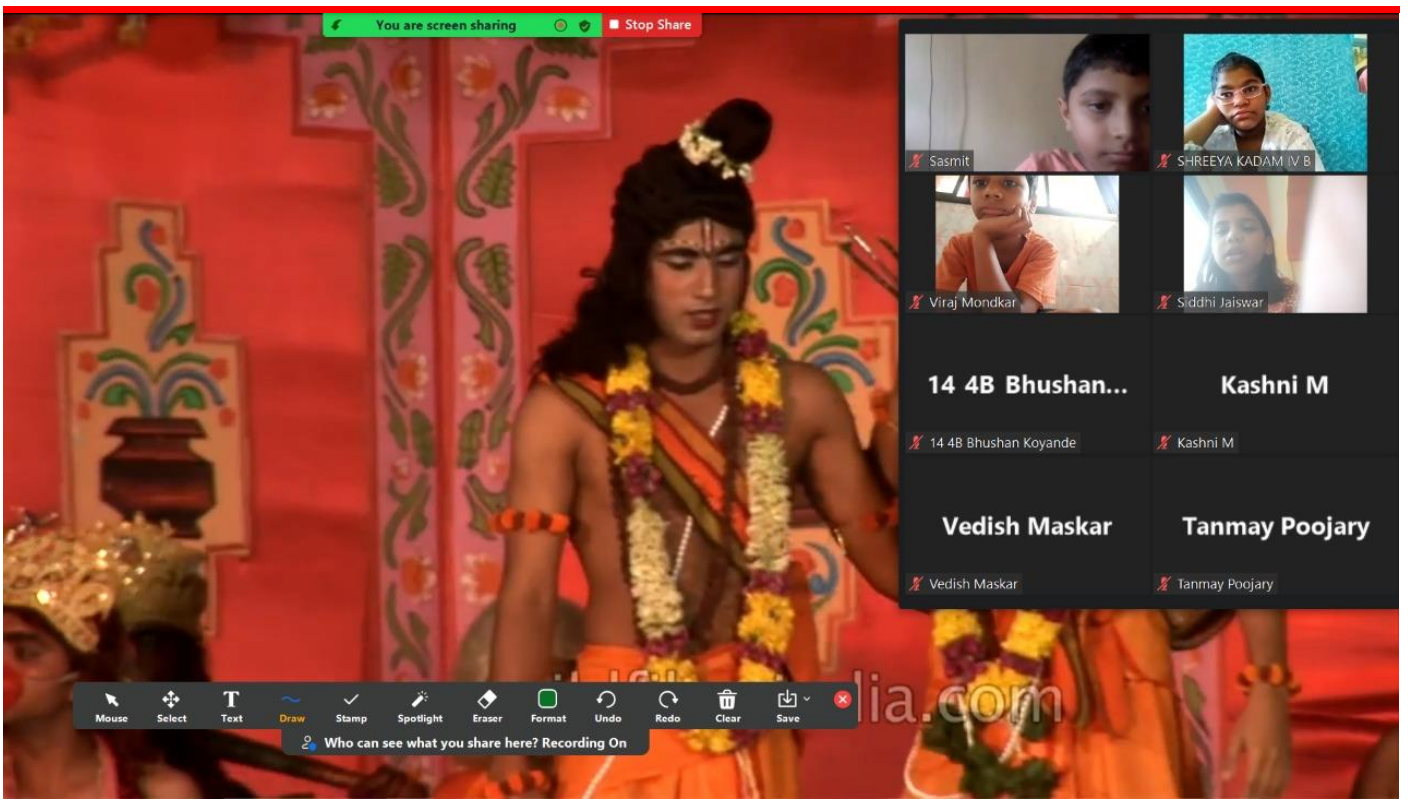

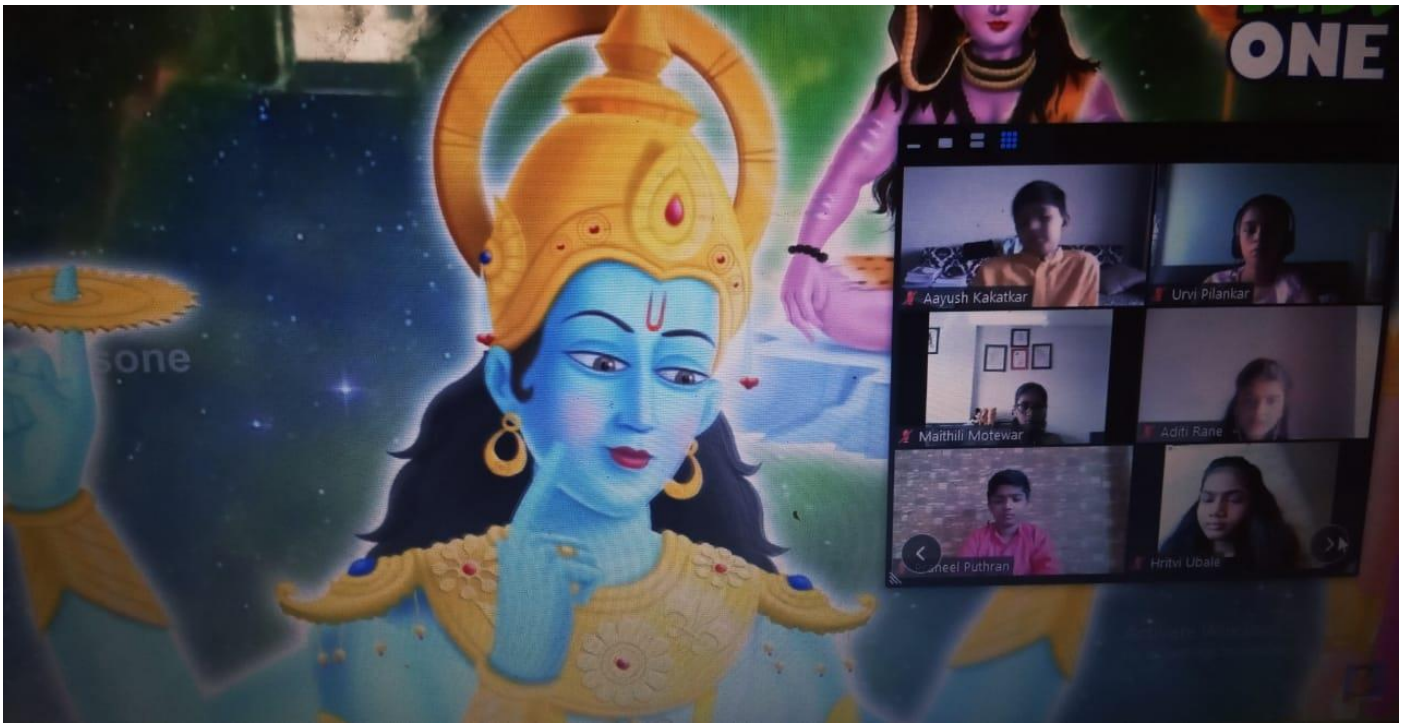

Teachers explained the importance of Diwali, the festival spiritually signifies the victory of light over darkness, knowledge over ignorance, good over evil, and hope over despair. A video was shown on the life of Dr. A.P.J Abdul Kalam. One of the teachers dressed up as Dr. A.P.J Abdul Kalam and shared about Dr. Kalam's life and his achievements. The speech was followed by a puppet show on Ramayana and comedy skit for the students enacted by our teachers. This skit was recorded and was shown to the students.

Both Teachers and students enjoyed the Diwali celebrations wholeheartedly.
