NEWSLETTER FOR THE MONTH OF SEPTEMBER 2019

**Dear parents,**

Encouraging children to make their own choices is important. The development of creativity in early years essentially guides children to develop problem-solving skills in later years. Keeping in mind about the child's creativity we at Daffodils had come up with various events in the month of September 2019. It has been a wonderful month where children tested their talents and enjoyed the ever evolving process.
