NEWSLETTER JULY 2023

GURU PURNIMA

Guru Purnima (Poornima) is a Hindu custom that honours all spiritual and intellectual Gurus who have evolved or enlightened mankind and are willing to share their knowledge. According to Nelson Mandela, "education is the most powerful weapon you can use to change the world." Because the teacher transmits education, the job of the teacher is critical in both the present and future of a student.

Guru Purnima was celebrated in school on July 3, 2023. On the occasion of Guru Purnima, an event was held in the school to honour the teachers. The Cultural department of our school took the initiative in organising the function. The function was performed in the play pan.

The ceremony got off to a pleasant start with the youngsters singing the school prayer. Students from grades 1 to 10 participated in skit and dance performances. Our principal ma'am's encouraging address, followed by a short film, brought the occasion to a close.

INVESTITURE CEREMONY

The newly elected Prefect Body of the Student Council assumes leadership during the investiture ceremony and swears to carry out their duties quickly in an effort to influence the school community in a positive way and move it towards success. Giving students responsibility for running the school and bringing it to the level they want with their leadership, decision-making, communication, and teamwork abilities is just as important as giving them titles.

Student Council Election was held on 20th June 2023 for the academic year 2023-24. The Captain and Vice – Captain for all the four houses were nominated formally. They got the opportunity to campaign for themselves for a week in all the grades.

DECLAMATION COMPETITION

A successful declamation captivates the audience, drawing them into the world created by the speech. The declaimer establishes a connection, speaking not only to the minds but also to the hearts of the listeners. Through the power of their words, they seek to move, motivate, and leave a lasting impact on the audience. Thus, on the joint occasion of the birth anniversaries of Lokmanya Tilak and Chandra Shekhar Azad, the students of our school have enthusiastically and joyfully enrolled in the declamation contest.

SOLO DANCE COMPETITION

The solo dance competition is a showcase of the beauty and diversity of dance. The solo dance competition is a kaleidoscope of dance styles, showcasing a rich tapestry of cultural heritage and artistic expression. From classical forms like Bharatanatyam, Kathak, and Odissi to contemporary genres like hip-hop, jazz, and contemporary fusion, each performer brings their signature style to the forefront, making the stage a vibrant canvas of creativity. The Solo Dance Competition comprised three sub-competitions. The Grade 1 competition was scheduled for 27th July, while the competitions for Grade 2nd to 4th were scheduled for 28th July. The competition for secondary classes took place on 29th July.
