

# DAFFODILS HIGH PUBLIC SCHOOL

NEWSLETTER NOVEMBER & DECEMBER 2023

## Diwali Cleaning

Diwali Cleaning is a fascinating tradition tied to the festival Diwali. This involves cleaning every nook and corner of the house and it has deep cultural and spiritual significance. This is done to welcome the goddess of wealth Lakshmi. By this, all negative energies are removed and positivity is welcomed.

Similarly, students invested time and effort in thoroughly scrubbing floors, dusting furniture, organising cupboards and sprucing up outdoor areas. It seemed like a daunting task, but after completion was an undeniable sense of accomplishment.

## Diwali Celebration

Diwali, also known as festival of lights, is one of the most important Hindu celebrations that occurs annually in India and other parts of the world. It ultimately symbolises the victory of good over evil.

Students came together to make beautiful rangoli designs at doorstep, decorating the classrooms with diyas and decorative materials. It was time where everyone gathered to indulge in mouth-watering feast comprising laddoo, chakli, karanji etc. Dancing on festive music.

## Picnic - Funkey Monkey Grade 1 and 2

Funkey Monkey in Chembur is a popular entertainment and recreational centre known for its vibrant atmosphere. Offering a range of activities for both children and adults. From indoor play area to creative workshops, it provides a diverse and engaging experience, making it a favourite among locals and visitors alike.

This vibrant and exciting indoor play area is perfect to keep your little ones entertained. The soft play area with slides, tunnels, and ball pits provides hours of endless fun, while the trampoline zone lets your kids bounce their hearts out.

## Picnic - Saguna Baug Grade 3 to 6

Saguna Baug is a popular picnic spot known for its lush greenery, diverse flora and peaceful atmosphere which is located in neral, Maharashtra

Initially, the students experienced archery and rifle shooting, it enhances their marksmanship skills.

Students then engaged in oil extraction, a process where oils are derived from various sources such as seeds, nuts, or fruits. Later, the students observed and appreciates the ostriches and emus, two large flightless birds.

Students further engaged in Malkhamb, a traditional Indian sport that combines gymnastics and acrobatics on a vertical wooden pole.

Afterwards, the students engaged in aquaculture, a practice involving the cultivation of aquatic organisms such as fishes, crustaceans and molluscs.

Lastly, the students saw a magic show which was a delightful experience for them amidst the natural beauty of the surroundings.

this picnic was a fun and mesmerising experience for students.

## Annual Sports Meet Nursey to Grade III

Sport pertains to any form of a physical activity or game often competitive and organized, that aims to use, maintain or improve physical ability and skill, which provides enjoyment to the participants and entertainment to spectators. Playing sports teaches us life lessons such as team work, accountability, self confidence, responsibility and self discipline.
