

DAFFODILS PRESCHOOL AND PREPRIMARY

NEWSLETTER FOR APRIL/ JUNE

WORLD BOOK DAY

The focus of the school is focusing on vocabulary development and what a great way to introduce learning among our tiny tots. The world book day was celebrated with great enthusiasm, happiness and joy. This day is celebrated to promote the passion and love for books and reading for pleasure. The students carried their favourite story book to school and were encouraged to read them in school. Further they enjoyed drawing any character from the story. The teachers explained the significance of books as our closest quiet friends.

INTERNATIONAL YOGA DAY

21st June was an eventful day for our school. We at school celebrated the International Yoga Day. All our Preschoolers actively participated in the yoga session. The Yoga trainer explained the children the importance of Yoga. With yoga we can be healthy in body, spirit and mind which helps them in excelling in academics. Yoga enhances their flexibility, strength, coordination and body awareness.

ENVIRONMENT DAY/ GREEN DAY

World Environment day and Green Day were celebrated together to encourage awareness and action for the protection of the Environment. The colour green symbolizes prosperity. It is the colour of life, nature and energy. Our little ones came dressed in green coloured outfits to participate and mark the importance of this day. The students were shown videos about some craziest, weirdest and strangest plants, unusual flowers that make our earth a beautiful place to live in and that all these should be treasured.

On the same day a colouring competition was held for the students of NURSERY and LKG to spread the message of environmental conservation. A drawing competition to attract young inquisitive minds towards the act of environment conservation was held for the UKG students.
