RAKSHA BANDHAN

Raksha Bandhan was celebrated with full zeal and endeavor that one associates with this auspicious festival. The main objective behind celebrating Raksha Bandhan was making children aware about the virtuous bond of love between a brother and a sister which is one of the deepest and the noblest of all human emotions.

The tiny tots, in traditional attires enthusiastically participated in tying rakhis on the wrist of their brothers and wished them a prosperous and healthy life.

In return the brothers gave them wonderful gifts and promised to protect them. The vibrant colourful attires and innocent smiles brightened the ambience and lifted the spirit of our young ones. The students also had amazing time sharing scrumptious delicacies with each other.

The celebration began with a small skit performed by our students to depict how Ganesha got his elephant head. The students charged vigorously to the shouts of 'Ganpati Bappa Morya' as they came colourfully clad to worship God Ganesha who stood gracefully between his parents Shankar and Parvati.

The celebration was followed by a Dance Competition by our Lkg and Ukg students. The vivacious dancers set the stage on fire with their energetic performances and this was a reflection of their passion and hardwork.
