NAVRATRI

Navratri, means 'nine nights' and it's a time to celebrate the victory of good over evil. The school had organized a vibrant dress-up day, where students came dressed in their traditional best. Students and teachers danced on the music and rhythmic beats & matched the mood of festivity on Garba and dandiya songs. Celebrating Navratri helps students learn about their cultural heritage.

Celebrating Navratri provides a well-rounded educational experience by combining academics with cultural activities.

DIWALI

Diwali, the 'festival of lights' was celebrated by the students of the Pre-primary section on 23 October 2024. Our little children decorated their class with colourful rangoli, diyas and lanterns.

They also bought their favourite festival food and shared it among their friends. Students & teachers were able to enjoy these delicious treats together, spreading warmth and happiness.

We hope that the spirit of Diwali continues to inspire each of us to spread joy, kindness, and light throughout the year.

ANNUAL DAY

Our school celebrated its much-awaited Annual Day, a spectacular event that brought together students, teachers, and parents in a celebration of talent, creativity, and school spirit. The evening was a true reflection of the hard work and dedication put in by our students and staff throughout the year. The stories came alive on 25 October 2024.

We look forward to another year filled with learning, growth, and, of course, more opportunities to celebrate the many talents of our incredible students.

PICNIC

Our LKG & UKG teachers, and staff embarked on an exciting adventure as we held our Annual School Picnic at Play n Learn, Kurla. The day was filled with laughter, games and unforgettable memories, as students from different class came together to enjoy a break from the regular school routine. This year's picnic was a resounding success, thanks to the enthusiastic participation of everyone involved!

A school picnic is more than just a day out—it's a treasure chest of laughter, adventure, and memories in the making!"

SPORTS DAY

Sports Day is a wonderful event for schools, offering an opportunity to celebrate physical fitness, teamwork, and school spirit. Our school organised Sports Day on 20 December 2024. The event was filled with variety of activities, including track and field events, team games, fun races, and performances. The day concluded with the award ceremony, where winners were recognized for their outstanding achievements.

Sports can help children develop leadership skills like decision-making, time management, and sportsmanship.

CHRISTMAS

The festive spirit was in full swing as students, teachers, and staff came together to celebrate the most wonderful time of the year — Christmas!

On 20 December 2024, the school grounds were decorated with lights, festoons, and the joyful sounds of carols. The highlight of the day was when Santa distributed chocolates to all the kids, spreading joy and sweetness throughout the school. The children's faces lit up with excitement as they received their treats and shared happy moments with their friends.

As the year comes to a close, we wish all our students and their families a Merry Christmas and a Happy New Year!
